EXPERIENCE

Front End Developer

Mintable

January 2018 to August 2018

Central Area, Singapore

- Designed and implemented responsive website layouts using JavaScript, HTML, and CSS to ensure optimal viewing experience on different devices.
- Created UI mockups and prototypes to illustrate site functionality and appearance, with a specific focus on NFT trading and transactions.
- Developed animated graphics to guide users through the NFT marketplace experience.

Team Lead

Air Force Association CyberPatriot

November 2015 to May 2018

Lawrenceville, New Jersey

- Led a team in a national interscholastic competition as an IT professional, managing a company's network.
- Collaborated with a team to secure operating systems such as Windows Server 2008, Ubuntu, and Cisco network systems from vulnerabilities.
- Trained and mentored a team of up to 10 students, helping them develop technical skills and a deeper understanding of cybersecurity principles.

Associate

Lidl

March 2021 to Present

Lawrenceville, New Jersey

- Process and handle deliveries and inventory, utilizing a store-to-warehouse database to ensure accuracy of orders.
- Maintain financial records, ensuring the daily safekeeping of store cash funds for cashiers.
- Maintained strong teamwork skills in order to be able to effectively communicate and collaborate with colleagues to meet customer needs and drive sales.
